

2022 Diabetic Supply Information

Medicare:

- LifeScan (OneTouch) is the preferred brand in 2022.
- Diabetic testing supplies are a Part B benefit.
- For CCP members, all preferred machines are programmed to adjudicate at point-of-sale at any in-network pharmacy.
- Strips for the preferred machines will have a quantity limit of 100 per 25 days. Strips and lancets will adjudicate at the co-insurance amount indicated on the Benefit Master List (BML) under “Diabetes Supplies”
- Continuous Glucose Monitors (CGMs): Preferred CGMs include Dexcom (all models) and Freestyle Libre (all models except FreeStyle Libre 2). CGMs require prior authorization and are potentially coverable as a Part B benefit.

Medicaid:

- LifeScan (OneTouch) is the preferred brand.
- All machines are going to be programmed to adjudicate at point-of-sale at any in-network pharmacy.
- Strips for the preferred machines will have a quantity limit of 100 per 31 days for members over 21 years of age and a quantity limit of 200 per 31 days for members 21 years old and younger. Lancets will have a quantity limit of 200 per 31 days.
