

Lista completa de medicamentos preferentes de Medicaid de Care1st Health Plan Arizona

La lista completa de medicamentos preferentes (PDL, por sus siglas en inglés) de Care1st Health Plan Arizona incluye medicamentos que han sido revisados y aprobados por un comité de médicos y farmacéuticos. Esta no es una lista completa de todos los medicamentos cubiertos. Si necesita un medicamento que no está en la lista de medicamentos, llame al Servicio para afiliados de Care1st Health Plan Arizona y pregunte si está cubierto. Si el medicamento no está cubierto, su médico puede solicitar autorización previa para cubrir el medicamento.

La lista de medicamentos se actualiza con frecuencia y puede cambiar. Puede ver la lista de medicamentos más reciente en

<https://www.care1staz.com/az/providers/formulary.asp>

Programa de farmacia

Care1st proporciona medicinas adecuadas, médicamente necesarias y económicas. Su plan cubre medicamentos con receta médica y ciertos medicamentos de venta libre (OTC) cuando son indicados por un médico. Algunos medicamentos requieren una aprobación previa (PA, por sus siglas en inglés) para que la farmacia pueda proporcionarle su medicación. Algunos medicamentos tienen límite de edad, posología o cantidad.

Care1st es un plan genérico obligatorio. Los medicamentos genéricos tienen el mismo principio activo que sus equivalentes con nombre de marca y deben usarse como primera línea de tratamiento. Por lo general, el medicamento genérico se le proporcionará en la farmacia, a menos que la PDL indique específicamente que se prefiere el medicamento de marca. Si no hay un medicamento genérico disponible, puede haber más de un medicamento de nombre de marca que se pueda usar en su tratamiento. Nuestro Comité de Farmacia y Terapéutica (P&T, por sus siglas en inglés) de Care1st Health Plan Arizona revisa con frecuencia la PDL completa de Care1st, lo que ayuda a promover que los medicamentos sean clínicamente apropiados, médicamente necesarios y económicos.

Límites de dosis

Puede obtener hasta un suministro máximo de treinta (30) días por cada nueva receta médica o reabastecimiento de la mayoría de medicamentos. Puede obtener hasta un suministro de noventa (90) días si:

- El medicamento está prescrito para una enfermedad crónica
- Usted va a estar fuera del área de servicio durante un largo periodo de tiempo
- La receta médica está limitada al periodo de tiempo
- El medicamento está prescrito para anticoncepción

Debe haber transcurrido un total del 85 % del suministro de 30 días antes de que se pueda reabastecer la receta médica para la mayoría de los medicamentos.

Autorización previa y otros límites

Algunos medicamentos que figuran en la PDL completa de Care1st Health Plan Arizona pueden requerir autorización previa; su médico o farmacéutico la solicitará para usted. La información deberá ser presentada por el practicante o farmacéutico en el

formulario de autorización previa de medicamentos. Puede encontrar este documento en el sitio web de Care1st Health Plan Arizona en:

<https://www.care1staz.com/az/providers/formulary.asp>.

Se puede enviar la PA por fax al 602-778-8387 o bien su proveedor médico puede enviar una solicitud de PA electrónicamente a:

<https://www.covermy meds.com/main/prior-authorization-forms/>

No todos los medicamentos oncológicos están enumerados abajo. Todos los agentes oncológicos (antineoplásicos) reembolsables por las autoridades federales están disponibles mediante autorización previa.

Care1st Health Plan Arizona cubrirá el/los medicamento(s) si:

1. Existe un motivo médico que requiera el/los medicamento(s) específico(s)
2. Dependiendo del medicamento, otros medicamentos en la PDL no han funcionado

Si la solicitud es aprobada, Care1st Health Plan Arizona Plan informa al médico por fax.

Si la información clínica provista no cumple con los criterios de cobertura para el medicamento solicitado, Care1st Health Plan Arizona realizará lo siguiente:

- Revisará la solicitud y los informará a usted y su médico sobre nuestra decisión
- Le informará sobre medicamentos alternativos, si estuviesen disponibles
- Proporcionará información sobre lo que puede hacer para apelar nuestra decisión si no está de acuerdo con ella.

----	--------------------	--

Solicitudes por necesidad médica

Si necesita un medicamento para tratar una afección que no figura en la PDL, su médico puede presentar una solicitud de necesidad médica (MN) para el medicamento.

Política de suministro de emergencia

En una situación de urgencia, la farmacia podrá dispensarle un suministro de hasta 4 días a cualquier afiliado que espera una determinación de PA. El propósito es evitar la interrupción del tratamiento o retrasos en el inicio del tratamiento. Las farmacias de la red están autorizadas a proporcionar un suministro de hasta 4 días de medicamentos tradicionales (no especiales). Solicite a su farmacia que llame al Servicio de asistencia a farmacias al **1-602-778-1831, opción 5** para obtener ayuda para reabastecer el suministro de emergencia de 4 días.

Exclusiones

La lista de medicamentos de Care1st Health Plan Arizona no incluye ciertos medicamentos. Los siguientes tipos de medicamentos están excluidos de la cobertura. Tampoco están disponibles como suministro de emergencia de 4 días.

- Medicamentos que se consideran experimentales o de investigación
- Medicamentos de estudios de eficacia e implementación de medicamentos (DESI)

- Los medicamentos elegibles para la cobertura de Medicare Part D (para afiliados elegibles de Medicare); los copagos y costos compartidos para medicamentos de salud mental están cubiertos para los afiliados con enfermedades mentales graves

que también sean elegibles para Medicare.

Productos recién aprobados

Care1st Health Plan Arizona revisa los nuevos medicamentos para determinar su seguridad y efectividad antes de agregarlos a la PDL. Durante este periodo, el acceso a estos medicamentos se considerará mediante el proceso de revisión de PA.
