HEARING IMPAIRED

Care1st has agreements with Valley Center of the Deaf (VCD) (Maricopa County) and Community Outreach Program for the Deaf (Pima County) to provide American Sign Language interpreters at no cost to members or providers. Services are available and arranged through Member Services. Valley Center of the Deaf recommends setting up services seven business days in advance of the appointment and Community Outreach Program for the Deaf recommends setting up services 10 business days in advance of appointment.

In addition, if the provider's office needs to contact a member by telephone, they may do so via Arizona Relay Service. Providers may dial 711 for TTY users or go to the website at (<u>www.azrelay.org</u>) to see other alternatives for members that do not use TTY. This is a state program and there is no charge associated with this service.
